Task 1

Look at the text below and choose the correct form. Can you explain your choice?

Task 2: extension.

Punctuate the lyrics.

I'm tired of **be/being/is** what you want me to be
feeling/feel/feeled so faithless **losing/lose/lost** under the surface
I don't know what you're **expect/expected/expecting** of me
put/putting/putted under the pressure of **walking/waked/have walked** in your shoes
[**catch/to catch/caught** in the undertow just **catch/to catch/caught** in the undertow]
Every step that I take is another mistake to you

I've **became/become/becoming** so numb I can't **to feel/feel/felt** you there
I've **became/become/becoming** so **tired/tire/tiring** so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you

Can't you see that you're smothering me
Holding too tightly afraid to **losing/lose/lost** control
Cause everything that you thought I **will/would/would have** be
Has fallen apart right in front of you
[**Catch/to catch/caught** in the undertow just **catch/to catch/caught** in the undertow]
Every step that I take is another mistake to you
[**Catch/to catch/caught** in the undertow **just catch/to catch/caught** in the undertow]
And every second I waste is more than I can take

But I know I may end up failing too
But I know you were just like me
With someone disappointed in you
