

SWAY

Michael Bublé

One of the words in each line is wrong. Find the word and swap it for the correct one

When marimba rhythms start to sway

Dance with me, take me sway

Like a lazy ocean bugs the shore

Hold me clothed, sway me more

Like a flour bending in the breeze

Bend with me, sway with cease

When we dance you have away with me

Say with me, sway with me

Other dancers maybe on the floor

Dear, but my guys will see only you

Only you have the major technique

When we sway I go week

I can hear the sounds of violinists

Born before it begins

Make me will as only you know how

Play me smooth, sway me now

Other dancers maybe on the floor

Dear, but my guys will see only you

Only you have the major technique

When we sway I go week

I can hear the sounds of violinists

Born before it begins

Make me will as only you know how

Play me smooth, sway me now

You know how

Play me smooth, sway me now
