

## MAROON 5: "She Will Be Loved"

The words in the lines in italics are jumbled. Can you unscramble them?

*queen of beauty eighteen only*

She had some trouble with herself

*always her he to was help there*

She always belonged to someone else

I drove for miles and miles

And wound up at your door

I've had you so many times but somehow

I want more

*spending don't I everyday mind*

Out on your corner in the pouring rain

Look for the girl with the broken smile

*wants her if she to stay awhile ask*

And she will be loved

She will be loved

*on on tap knock my my window door*

I want to make you feel beautiful

I know I tend to get so insecure

*matter doesn't it anymore*

It's not always rainbows and butterflies

*It's moves compromise us along that*

My heart is full and my door's always open

*you you come can anytime want*

*spending don't I everyday mind*

Out on your corner in the pouring rain

Look for the girl with the broken smile

*wants her if she to stay awhile ask*

And she will be loved (x4)

I know where you hide

Alone in your car

Know all of the things that make you who you are

I know that goodbye means nothing at all

Comes back and begs me to catch her every time she falls

*on on tap knock my my window door*

I want to make you feel beautiful

*spending don't I everyday mind*

Out on your corner in the pouring rain

Look for the girl with the broken smile

*wants her if she to stay awhile ask*

And she will be loved (x4)

*[in the background]*

Please don't try so hard to say goodbye

Please don't try so hard to say goodbye

Yeah

*[softly]*

*spending don't I everyday mind*

Out on your corner in the pouring rain

Try so hard to say goodbye
